# SANMAK MAKARA

## Wooden Cable Drums

### Wooden Cable Drums

Founded in Mudanya, Bursa, Turkey in 2010 after long years of professional experience in the sector, Sanmak Makara is on its way for becoming one of the leading companies in the wood and timber industry.

Having a large share in the wooden cable drum market throughout Turkey, [Sanmak Makara](#) has expanded its network day by day and opens up to international markets in line with its export target.

### Factory

Sanmak Makara, which is established on an open area of [10.000 m<sup>2</sup>](#) and an indoor area of 5.000 m<sup>2</sup>, continues production in its facility in Bursa. The special logs purchased (calabrian pine, black pine, fir, etc.) are passed through various production stages in the plant, and production of wooden drums and wooden packaging materials takes place.

At the facility equipped with the latest technology, Sanmak Makara produces especially wooden cable drums of all types but also all types of wooden packaging materials such as crates, cages, storage chests, veneer boards etc... The company has proven automation in production and has more than 30 employees. The production capacity of Sanmak Makara, which constantly improves its facility with new machinery, has been increasing year over year.

Production of Wooden Drums with diameters between 40cm and 320cm!

## Wooden Cable Drums
